TIN BELLY DINING ROOM

🍴 50 THE TIN BELLY DINING ROOM

With The Blues and Royals as our near-neighbours it seemed only right to name the newest addition to The Clarence in their honour, part of the Household Cavalry they can trace their roots all the way back to Thomas Cromwell's New Model Army. With that in mind we set to creating a space to gather your troops for a right royal dinner, whether just the high command or the whole company: in mufti for a casual gathering or full dress uniform for a night of regimental hijinks, The Tin Belly serves at your pleasure.
